Large Crowd Expected at Farm Dinner

Miss Irene Rich, former film star, and may other notables will be present at the agricultural dinner to be held at the Alta Loma fire hall Monday night at 7:30 o'clock.

Reservations for the dinner are coming in fast at committee headquarters, according to reports received today. More than 125 ranchers and their wives are expected to attend.

Others who have indicated their intention of being present Monday night are Frank H. Mogle, chairman of the county board of supervisors; Will R. Mason, West End member of the supervisors, and Jack LaRue, assistant county farm advisor.

Invitations have been mailed to some 200 ranchers and growers throughout the West End. Advance reservations thus far exceed 75 with additional requests arriving each day.

The event will feature roast tom turkey and dressing, salad, vegetable, rolls and butter, desert and coffee, prepared and cooked under the direction of Mrs. W. K. Brooks, and served by the Girl Scouts of troop 7, Alta Loma, under the direction of Mrs. Margarette McKee. Dinner will be followed by the showing of the sound motion picture, in technicolor, "Under Western Skies," addresses by Floyd D. Young, of the U.S. Weather Bureau Frost Warning service, William "Ted" Silverwood, Yucaipa rancher and packing shed operator, and others. The meeting is open to the ladies of the community as well as the men.

The committee on agriculture is composed of George W. Jackson, chairman, N. S. Breese and C. O. Grover. The dinner and meeting is a public service feature of the Alta Loma Community club.

Print Programs For Conference

With the printing of the programs, plans for the 33 annual Bible conference of the Brethren in Christ church are nearing completion.

The conference, to be held on November 29, 30 and December 1, takes the theme "Christ Centered Evangelism." Scripture text for the gathering is "They . . . went everywhere preaching the word," Acts 8:4.

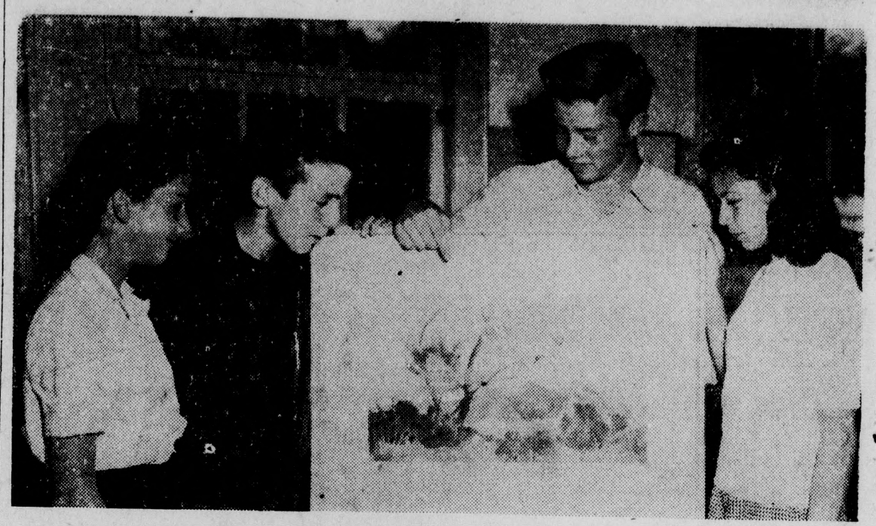

These sessions daily, morning, afternoon and evening, will be held on the three days of the conference. Officials of the conference are Alvin Burkholder, Cletus Naylor, Amos Buckwalter, Jesse F. Lady and Alvin Book.

Presents Play To Student Body

The dramatic class presented a play before the student body Thursday morning in the Upland Elementary school auditorium.

Marie Ebell, dramatic teacher, directed the performance.

STUDENT OFFICERS LOOK AT WORK OF FAMOUS ALUMNUS

Looking over the work of an alumnus who made good are student officers at the Upland junior high school. The painting titled "Raven Country" was made by Tom Craig, who attended Upland schools. It was given to the school by the graduating class of 1944. Shown in the picture observing the accomplishments of a famous former student are, left to right, Joyce Heisey, secretary; Marvin Decker, vice-president; Bill Casler, president, and Peggy Duque, program chairman.

Upland Police Handle Largest Number Of Calls On Record Halloween Night

Compared with the unprecedented vandalism in nearby communities, Upland observed a relatively quiet Halloween last night, although the number of calls handled by the police was the highest on record.

Police Chief Eugene L. Mueller reported that with the exception of a few instances of unwarranted vandalism, the younger residents of Upland proved to be good citizens.

He also praised the police reserves, who were all on duty last night, and "handled the situation well."

Tricks or Treats

Most of the Halloweeners spent the evening at the Chaffey party or visiting their neighborhoods with "tricks or treats" and filling their sacks with candy, popcorn, cookies and fruit. Between 200 and 300 young "spooks" visited the police department during the evening, threatening the police with dastardly deeds if treats were not forthcoming.

Chief among reports of vandalism were the large number of fire plugs turned on. Most of the calls to the police station during the evening were reporting water running. Calls were heaviest between 7 p.m. and 11 p.m. with two persons on the switchboard part of the time.

Catch Youths

A group of six youths were apprehended by police while turning on fire plugs and later released. The police department is checking with the city manager's office to determine the amount of damage to the soft copper valves as well as the loss of water.

Another group of boys were picked up while breaking street lights and will have to make restitution to the city when damages are determined.

The fire department was called out only once and that was for a brush fire outside the city limits between Upland and Claremont.

Ontario Fires

Ontario's fire department did not fare so well, however, with 17 palm tree fires reported. These were cause by flares thrown into the branches. Most serious part of the fires, according to officials, was that it required all of the equipment at times, which left the station without ample men and equipment should a major fire be reported.

Police arrested five youths in connection with the palm tree fires and are holding them in custody.

Turn on Water

During the evening, 40 fire hydrants were turned on by the vandels.

Police Chief H. V. Swinney reported that there was more activity than usual in the department, but with a few exceptions the younger Ontarians behaved well. He commended the students of the schools for standing by their pledges to refrain from vandalism.

Poultrymen To Hear Dryden

One of the outstanding events of the season for local poultrymen will be the appearance of Horace Dryden, chairman of the State Poultry commission, at the Fontana Junior high school auditorium on Tuesday, November 19, at 7:30 p.m.

One of the nations leading poultry breeders, Mr. Dryden will show a film in color of his breeding farm in Modesto. A "Question and Answer" period during which time the audience will have an opportunity to ask questions on matters relating to breeding, feeding or management, will follow.

This mass meeting is sponsored by the Poultry department of the San Bernardino county Farm Bureau with the Agricultural Extension service cooperating. The county chairman, William Eastwood, will preside. Harold N. Barbour, county vice chairman, Upland, is heading this year's committee on publicity and programs and will introduce Mr. Dryden to the gathering.

All poultrymen of this district are invited to attend and the meeting is open to the general public as well. The County Poultry department expects this affair to be one of the largest mass meetings for poultrymen ever held in San Bernardino county.

The Ontario-Upland Poultry center will not hold a local meeting this month as the November 19 event in Fontana will take the place of the regularly scheduled meeting.

Give Plans for Vets' Memorial

In order to fully acquaint Uplanders with the city's proposed Veterans' Memorial buildings, their uses, benefits and cost, members of a citizen's committee decided to have printed brochures which will be distributed to every home in Upland.

The brochures will present all the specifications of the memorial, an explanation of the purposes, and answers to any questions concerning the memorial which might be raised by the public.

The fact that the buildings will be open to any organized group in the community, as well as the veterans' groups, will be explained in the compilation.

Distribution is being planned during the week previous to November 19, the date on which a special election will be held to vote the bond issue to finance the project.

Air Mail Use Goes Up 433 Percent Here

An increase of 433 per cent over September was reported in the sale of air mail stamps at the Upland postoffice by Orton P. Brady, postmaster, today.

During October when air mail stamps dropped to 5 cents, a total of 11,700 sales were made, Postmaster Brady declared. In September when stamps sold for 8 cents, sales were only 2,700.

The Upland postmaster saw the big boost in air mail stamp sales as an indication that the lower price would undoubtedly be a big boost to the increased use of air mail.

In an effort to encourage the use of air mail, the post office department has been having a National Air Mail week which ends tomorrow. Air mail week was officially proclaimed by Mayor Eugene G. Nisbet from October 27 to November 2.

Don Cossacks To Arrive Here Next Thursday

An invasion of mraching men will be here next Thursday night when Serge Jaroff and his 32 booted Cossacks take over the Chaffey Civic auditorium for an evening of their world-renowned singing and dancing.

For the Original Don Cossacks and their chorusmaster this visit, made in the course of the 17th national tour under the aegis of impresario S. Hurok, will be their third in these parts.

The giant Cossack choristers last year celebrated their 25th anniversary since their dynamic little leader welded them into a singing ensemble in Constantinople in 1920. Now well into their sixth thousand concerts, and second million mile of concert-touring they have annually for the past 16 years regaled audiences in more than 120 cities of the United States with their organ-voiced liturgies, haunting folk songs, and galloping Cossack and soldier rounds which were sung by their own ancestors down the valley of the Don since the days of the Cossack hero Stenka Razin.

Living as they sing, under a military discipline self-imposed by democratic rule, they two years ago embraced American citizenship en masse, memorizing the Constitution in Russian and English and holding classes in American government before they took the oath of allegiance.

Probably the only citizens who can recite the Constitution from memory, they are still Russian, however, to the soles of their shiny black boots, as their audiences across the country enthusiastically testify. They will appear here under the local sponsorship of the civic concert series.

SET DATE

The first dramatic presentation of the Chaffey college Little Theater group, "Merton of the Movies," will be presented in the Merton E. Hill auditorium on December 6. Paul Collier and Lillian Schaffer have the leading roles in the play.

Democratic Leaders Strike Keynote of Campaign Here

Wider Coverage To Result From Expansion Of News

More frequent and more adequate news coverage of Upland, Alta Loma, Cucamonga and Etiwanda is the objective of The Upland News in its enlarged program of converting into a three times a week publication.

Addition of the Associated Press leased wire news service will also give The News virtually instantaneous contact with all the world news centers. The Associated Press service, however, will be only a supplement to the local news coverage.

Telephone wires have been installed connecting The News office with a direct wire to the Associated Press headquarters in Los Angeles.

On November 11, The News will appear for the first time as a tri-weekly publication. Monday, Wednesday and Friday will be the publication days. The local news staff will be on the job throughout the week with the "AP" teletypewriter used on the three publication days.

The News will be one of the very few tri-weekly newspapers in the state. Published for more than 25 years as a semi-weekly, The News' frequency of publication is being increased to provide for more thorough coverage of local news sources, to present the leased wire "AP" stories and to better serve the community.

The News' staff has been steadily increased to meet the increased opportunities to serve the Upland community.

The most recent addition is G. R. "Bob" Carr, who joined the staff Monday as advertising manager. He and his wife and daughter recently arrived here from Scottsbuff, Nebr. Wilbur Jensen, printer, and John Brubaker, pressman, are other recent additions to the staff.

Published also from The News' plant here is The Fontana News, sister publication of the local newspaper. To meet the newspaper deadlines and to produce the commercial printing orders, The News plant has been operating on a day and night shift for sometime.

Stephen Kalagian, news editor, will direct the increased news coverage, assisted by Newton Wallace and Margaret Yancey, the latter society editor.

In the production department are Otto H. Lomen, H. G. Humble, Ben Brubaker, Charles H. Buck, Carlos Robinett, William Georgiades, W. R. Sias, John Brubaker and Wilbur Jensen. Mrs. A. W. Galentine is office manager.

Realtors Unite Activities Here

Two prominent local realtors have combined their "operations," according to an announcement released today.

G. Franklin Torrey and H. F. Naisbitt have combined their business activities and will act together in future transactions. However, it was made clear that this arrangement does not mean that a partnership has been organized.

Reason for the merger is to offer better service to the public, according to Mr. Torrey and Mr. Naisbitt, who also announced that four additional salesmen have been added to the staff and who will operate out of the office at Foothill boulevard and Red Hill drive.

Mr. Torrey will handle the brokerage affairs and be in general charge of the business. Mr. Naisbitt at the present time is busy with his development off Foothill boulevard looking towards the building of a theater, super market and other business activities as well as homes.

Find Stolen Ring At Police Station

A black onyx ring, stolen recently from an Ontario home, was found Tuesday by Sgt. E. E. Carter in his boots in the squad room at the Upland police station.

Lewis Dunn, 18, Upland, was arrested Saturday while allegedly attempting to sell another ring which was stolen from the same residence. Police said that Dunn occupied a chair near the boots while being questioned in the squad room following his arrest.

Elks' Singer

Featured in a singing role at the Elks' charity minstrel show which opens tonight at the Chaffey civic auditorium is Alice Worden. Entire proceeds of the show which include nine acts and 10 numbers will go for the aid of crippled children.

Benefit Show Opens Tonight

The first of two benefit performances of the Elks minstrel show will be presented this evening at 8:30 in the Chaffey civic auditorium.

Proceeds from the show will go towards helping crippled children at Casa Colina and other similar homes. The second performance will be Saturday evening.

Dan Alter, the producer and director, said that the show is packed with comedy, nonsense, dancing and singing and will be one of the best home talent shows ever presented to the local audience. A fashion review will also be presented with the cast serving as models.

Ten numbers are included in the show which will also be presented tomorrow night. Those appearing in the charity production include Margaret Dinger, acrobat; Alice Warden in a bit of "Sophie Tucker;" Santa Ana double quartet, western songs; Juanita McLaughlin and Beach sister, dancers; Gail and Iris, "Sweet Harmony;" Barbara Blunt, "A Symphony of Tap;" D. Smith and G. Orr, a satire on "Caesar and Cleopatra;" Pat Connors and Dan Alters, blackface comedy and "fashion review," including a solo by Willa Bradley.

Will Continue "Battle" for "Human Rights"

Democratic party leaders meeting in Ontario at noon today appealed for continued support so that it could carry on the battle for "human beings and for human rights" in opposition to the "reactionaries."

Sounding the keynote of the Democratic party fight was James Roosevelt, chairman of the State Democratic Central committee, who came to the county to lead a political caravan on final pre-election tour. Congressman Harry R. Sheppard, candidate for re-election, and Edmund Brown, candidate for attorney general, were other speakers.

The meeting was held in the Ontario American Legion club house, a dinner preceding the informal get-together. Allen Harrison, Ontario political leader, introduced the guests at the dinner and J. S. Mills, president of the Ontario Democratic club, was presented later. Harry Reynolds, San Bernardino, president of the County Democratic Central committee, presented the speakers.

SHEPPARD'S STATEMENT

While The Upland News has editorially opposed Congressman Harry Sheppard, the newspaper last night telegraphed him an offer of his use of the news columns for a final statement. Interviewed at noon today Mr. Sheppard said he did not receive the telegram.

The offer was again extended. Mr. Sheppard said this:

"Tell the Upland people to look at the record and draw their own conclusions. Of course, I mean on a comparative basis."

Cites Record

Mr. Sheppard, cited his record as the basis of his campaign for reelection. While he was introduced as having accomplished much for the county, Mr. Sheppard paid tribute to his congressional colleagues.

The official emphasized the importance of being able to "get along" with other congressmen and said that if one is not liked by other members of the house little can be accomplished.

Answering charges that he is hob-nobbing with Communists, Mr. Sheppard said "I am the only congressman ever to offer a bill that would disfranchise a person who seeks to overthrow the government."

Human Rights

Tall, baldish Mr. Roosevelt, in the characteristic "Roosevelt" voice, fluently appealed to California Democrats to get into the fight for human rights and for liberal, progressive government. He reviewed the Democratic record since 1933 and emphasized "it is balanced economy that counts" in preventing the economic ups and downs.

Mr. Brown, keen of eye and definite in his assertions, spoke briefly of his legal background and of his experience as district attorney of San Francisco county. The attorney generalship is a non-partisan office and Mr. Brown promised to be the "best lawyer I can for all the people in the state."

Among those from here introduced were Henry M. Busch, city attorney, and Frank Davis, chairman of the Upland city planning commission. Others from Upland in attendance were James Pitts, Dr. James V. Latimer, Mr. and Mrs. Orton P. Brady, Mrs. George Cassell, Judge Mildred R. Puckett and Dr. M. D. White.

Cars Collide On Arrow Highway

A minor automobile collision occurred yesterday morning on Arrow highway near San Antonio avenue when cars driven by Allen Smith, 28, Claremont, and Clarence Reeser, 19, Buelah college student, collided.

Reeser's car was not damaged while the left fender, door and running board of the car driven by Smith were smashed.

Nearly $3,000 Already Raised In Upland Community Chest Drive

"Almost $3000 of our $4900 quota has been raised, so far," Howard Mason, chairman of the Upland Community Chest and U.S.O. drive announced to a breakfast of Chest captains and board members held at the Sugar Bowl this morning.

"We know captains can go out, and with the workers they choose to help them finish up the drive in short order," Mr. Mason continued.

Oris Heinauer, solicitation chairman, told workers they were being "given the ball"—that "good interference had been run for them so far" in the preparation which had been made for the house-to-house solicitation. It is hoped that the drive can be completed by Saturday, November 9, Mr. Heinauer said.

Captains were given kits including small red feathers and additional pledge cards to use in their work. Each captain was assigned to a geographical district, and lists of the names of persons who had already sent in their subscriptions by mail were attached—indicating that certain homes would not need to be solicited.

Mr. Heinauer explained that 84 per cent of the total this year would remain in Upland to support Girl Scouts, Boy Scouts, Sick Baby fund and Junior Welfare league to carry on dental work for children.

Present at the breakfast were Mr. Mason, Mr. Heinauer, Mrs. Velda Wiley, secretary; James Fero, treasurer; John Andreas, Mrs. Paul Hottel, Mrs. John Meek, Bert Hendy, Harry Wright, James Goodban, Owen Davis, Mrs. E. T. Stone, Mrs. H. H. Reimer, Mrs. Art Reeder, Mrs. Warren Wass, Mrs. C. K. Valiton, Mrs. Douglas Black, E. E. Hawthorne and John Baumgartner.

Girl Scouts Get New Secretary

Miss Wilda Puntenney, daughter of Mr. and Mrs. Max Puntenney, Ontario, has been appointed full time secretary of the Chaffey district Girl Scouts.

Miss Puntenney will have her office in the Scout building at 388 North Third avenue. She is a graduate of Chaffey Hhigh school and recently received her discharge from the WACS.

During the coming week she will attend the regional conference of Girl Scouts in Asilomar, Pacific Grove, Monterey county. Miss Puntenney is a former Girl Scout.

Civic Leaders Praise Upland News For Pacing City's Growth

Business and civic leaders were today unanimous in congratulating The Upland News for increasing the number of issues a week and for its affiliation with the Associated Press.

Practically all those contacted saw the expansion of The News as an example of Upland's rapid growth and expressed the hope that in the not-too-distant future The Upland News would find it possible to become a daily newspaper.

Complimenting The Upland News for its "progressive spirit," R. G. Manley, city manager, set the tempo for the enthusiastic response which greeted the announcement that The News would be published three times weekly instead of two.

"I was pleased to read of your announcement to publish three times a week instead of two," Mr. Manley declared. "I was not surprised because for several months I have noticed a continual improvement in your paper. Not only is it a larger paper than it was a year ago but it also contains a great deal more news.

"I wish to congratulate you on your program," Mr. Manley continued, "and with your progressive spirit I am sure it won't be many years before we will be reading an Upland Daily."

Declaring that "you are an important cog in the machine of progress in this area," Dr. A. A. Aita, administrater of San Antonio Community hospital, said:

"Permit me to congratulate you on your new achievement in procuring the service of the Associated Press and the issuing of an additional weekly publication of your paper. You have shown great progress in the past few years and I am certain that The Upland News will be a daily paper."

"It think it's a wonderful thing for the community and another mark in the advance of Upland," Orton P. Brady, Upland postmaster said. "It has been withheld for some time and I'm glad to see you have the foresight to go ahead with it. I hope to see you go daily within a short time."

Harold Cook, Upland school district superintendent, observed that "it's a step in the right direction. I know that the people of the Upland community are looking forward to the eventual establishment of a daily newspaper."

Ellery Wright, chamber of commerce president, said:

"It is very gratifying to see The Upland News having a connection with the Associated Press and printing three issues a week. For many years this paper has been publishing semi-weekly and this new change is a definite indication of Upland's growth. It is also a sign of faith in the future of Upland.

"Vernon Paine has worked hard to make it possible to give readers of The Upland News this new service and should be commended for his effort," Mr. Wright said.

Offering his "best wishes for a successful future," Mayor Eugene G. Nisbet saw the expansion of The Upland News as "typical of our progress in Upland."

"There is no doubt that The Upland News has been rapidly improving the past year and I know that with its increase of the number of issues a week and its association with the Associated Press, it will be even better," Mayor Nisbet declared. "I know I express the feeling of the community when I extend best wishes to The Upland News for a successful future."

Robert Henderson, president of the Upland Rotary club, declared, "A very good indication of Upland's growth and the spirit of progress. The Upland News in increasing its issues to three times a week is definitely keeping abreast of the times."

"I've been a subscriber of The Upland News for many years and noticed its steady growth of pages and its service to the community," Henry Busch, president of the Upland Lions club and city attorney said. "With the additional service of the Associated Press, The News will be even more valuable and with its thrice weekly publication will fill a gap not only in its coverage of news but in its service to advertisers as well. My congratulations and good wishes to The Upland News staff as they keep pace with the growth of the

(Continued on Page Two)

Upland, Ontario Legionnaires Get District Committee Appointments

Several Legionnaires from the Upland and Ontario posts were named district chairmen of committees by Howard Scott, district commander, at a meeting of post commanders and representatives held in the American Legion building in San Bernardino Tuesday night.

Those from Upland heading committees include Glenn Goforth, Boy Scouts; Earl Marsh, steering committee, and Stephen C. Kalagian, public relations.

Ontario veterans named by Commander Scott were Oregon Smith, constitutional and by-laws; Frank Martin, disaster and relief, and Lyle Arnold, national defense.

District Commander Scott announced the county quota for Legion membership as 4,433 and assigned each post its quota. The quota for Upland Post 73 has been set at 179.

A letter from Richard Chamberlain, department commander, urging the appointment of housing committees by each post was read to the group.

Post commanders and representatives were also urged to work in getting support for Proposition No. 1 on the ballot and to let the public know that the American Legion is opposed to Proposition 2 which would legalize greyhound racing in the state.

Fourteen posts in San Bernardino county were represented at the meeting.

If you ladies who play bridge will stop in, we will be very glad to supply you, free of charge, with some very fine bridge cards for your next party. Upland Jewelers. (adv. 53-1)

School Districts In County Get $2,250,93

Elementary school districts in San Bernardino county will receive $2,250,932 from the state treasury for the current, 1946-47, school year, based on average daily attendance of 26,000 pupils, California Taxpayers' association said today, making public its study of three years of state support of elementary school districts in California.

State apportionment to the elementary school districts in the county for 1945-46 was $2,049,452 based on average daily attendance of 23,820 pupils.

Students May Register At Chaffey High

Although the Upland-Ontario Selective Service office has been moved to 490 Court street, San Bernardino, students reaching their 18th birthday may register at the Chaffey High school office, Edgar C. Pierce, clerk, said today.

Mr. Pierce said that he is reannouncing this due to the fact that several boys made a trip to San Bernardino to register when they could have registered at Chaffey.

Officer Stops Cafe Burglary

Four Negro ex-convicts landed in the Ontario city jail Tuesday facing burglary charges as a result of the altertness of an Ontario police officer.

Patrolman Clarence Skvor was walking near the Bambu Hut, 522 West A street, at 1:30 a.m. Monday when he saw a man in the cafe. When Officer Skvor ran to the back door to investigate the man ran away amidst a volley of shots from the officer.

Two hours later Sgt. J. E. Woodside and Officer Ralph Whaley stopped a car with four men and Officer Skvor identified one of them as the man he had seen in the cafe.

Harry Horlick, owner, said there was an $8,000 liquor stock in the premises and a large amount of cash. Entrance to the Bambu Hut was gained by jimmying a rear door.

Mexican Fined $150 For Drunk Driving

Arrested by police for drunken driving, Leon Becente, 61, Sonora camp, was fined $150 Thursday morning in Upland city court.

Becente was observed by Captain Ralph Palmer and Officer John McCarty Wednesday night as he swerved from side to side on the highway and failed to make a stop sign. Investigation showed that he was intoxicated and when he failed to pass the sobriety test, Becente was booked for the drunken driving charge.

Cite Both Drivers In Car Collision

Two drivers received citations from Upland police recently as a result of a collision at Campus avenue and Eleventh street.

Kenneth A. Lee, 36, 440 Parkside, was cited for failing to give an arm signal and not having his address changed on his operator's license. The other driver, Harold Moore, 18, Pomona, was charged with driving an unsafe car and violating the speed law.

According to police reports, both cars were going north when Lee's car was struck in the rear by Mr. Moore. Della Freeman, 24, 405 Parkside, who was riding in Mr. Lee's car received emergency treatment at Memorial community hospital for minor injuries.

Civic Leaders Praise News

(Continued from Page 1)

community."

J. Emery Sargent, secretary of the Upland chamber of commerce, joined many others in agreeing that publishing The News three times a week "is a step in the right direction."

"I want to compliment you on getting out a very outstanding newspaper," Mr. Sargent stated. "The paper has been steadily improved as a semi-weekly and I know that now with the addition to the Associated Press and coming out three times weekly, it will be even better. It certainly is a step in the right direction."

Eugene L. Mueller, president of the Chaffey Quarterback's club, heralded the inclusion of a national sports on The Upland News sport page as a forward step in the community.

"Locally, it is going to mean that with national sports thrown in, the lessons of fair play and clean living learned in sports is going to provide even more incentive to the young people of this community," Mr. Mueller commented. "I am happy to see The News adding sports on a national scale to its already excellent sport page.'

"I think it shows Upland is going ahead and I'm glad to see that The News is also," Mrs. W. R. Farmer, president of the Upland Woman's club, said. "It will provide better service for all the clubs and churches as well as the rest of the community. It will be particularly important to us in the Woman's club because we will be able to get the news of our meetings immediately after they happen."

Atomic Bombs, Earthquakes Are Discussed by Fire Chiefs—Paulin

Everything from earthquakes and atomic bombs to residential fires and safety measures for stirring inflammables was discussed at the 51 annual conference of the Pacific Coast association of fire chiefs, October 27 to 30, Upland Fire Chief Howard Paulin reported today.

There were 342 persons from 12 states registered at the convention, which was held in the Municipal auditorium, Long Beach. A. R. Moyer, Ontario fire chief, attended the convention with Mr. Paulin.

Fifty manufacturers and suppliers of fire-fighting equipment were present with exhibits, including the newest trucks and other pieces of equipment.

A highlight of the convention was a talk by Doris Laiming, member of the national fire protection association, who discussed the 1923 Tokyo earthquake and accompanying fire.

Mr. Laiming was an eye witness to the fire and showed the group the slides he made of the catastrophe. He pointed out the fact that the Japanese rebuilt Tokyo without replacing the narrow streets with wide avenues which would also serve as firebreaks. This error made it possible for American aviators to destroy large areas of the city during the war.

Applying this lesson locally, he said that cities should learn from such examples and in rebuilding any devasted area, improvement should be considered.

Earthquakes were also discussed by Dr. John P. Buwalda, chairman of the division of geological sciences, California Institute of Technology. He described the geological structure of the earth's crust and went into detail as to the causes of earthquakes.

The atomic bomb entered the picture when Dr. Robert Sibley, noted electrical engineer and now executive manager of the California alumni association, vividly rescribed the birth of atomic power and its modern applications.

Always boost Upland.

EMMET L. SHAY

SHOULD BE RETAINED AS SHERIFF

We, the following citizens of this community, are vitally interested in law enforcement and in having good public officials. We are, therefore, taking this means of urging you to vote for SHERIFF SHAY on November 5. He has proven himself a good administrator, a conscientious official and one capable of handling a BIG JOB.

We believe we will get better law enforcement and more money for our tax dollar with Sheriff Shay in office.

He has been doing a remarkable job in view of the increased population and problems in this county.

Frank Davis Feted At Birthday Party

Frank Davis, North Mountain avenue, was pleasantly surprised last Thursday when friends of his honored his birthday.

The home was decorated with yellow chyrsanthemums and a "birthday tree," a pineapple guava, which was adorned with yellow flowers and ribbons.

Mr. Davis' father, Arthur Davis, was guest at a dinner prepared by Kathylyne Sheets. Special feature of the meal was a two-tiered angel food birthday cake decorated in yellow.

Later in the evening, Mrs. Ellen Loeb and Mrs. Larry Franze, Alta Loma, visited at the Davis home to offer birthday greetings.

THEY'RE NEWLYWEDS

Happily smiling are Mr. and Mrs. Lester Barnes, whose marriage was solemnized last week in the Cucamonga Community church. The bride is the former Grace Hall, daughter of Mr. and Mrs. Ernest P. Hall, 783 Amethyst avenue, Alta Loma, while the groom is the son of Mrs. E. Mae Schweitert. On their return from a trip to Laguna Beach, the young couple will make their home with Mrs. Schweitert, 2017 South Euclid avenue, Ontario.

Club Notices

ST. MARK'S AUXILIARY

The home of Mrs. E. J. Sanford, 501 North Vine, Ontario, will be the scene of the St. Mark's auxiliary monthly meeting, November 4. The group will gather at 3 p.m. to hear the pastor, Rev. John Luther, speak on the "Highlights of the General Convention."

SPANISH WAR VETERANS

Spanish War Veterans, John F. Dillon camp and auxiliary, will meet Monday evening, 8 o'clock, at Memorial hall, Ontario.

Mr., Mrs. Beekman Reveal Betrothal Of Daughter Pat

Announcing the engagement of their daughter, Patricia Jane, are Mr. and Mrs. Clifford L. Beekman, 844 East Baseline avenue, Alta Loma.

The intended groom is Lester R. Nagler, son of Mr. and Mrs. Herman Nagler, Ontario. Graduate of Chaffey high school, Mr. Nagler served a year and a half in the navy and is now enrolled at Occidental. He plans to continue his studies next semester at Humboldt State college.

Miss Beekman is a graduate of both Chaffey high school and college and was active in student body affairs. She is now attending Santa Barbara college.

The couple plan to be married in January.

PATIENTS AT SAN ANTONIO COMMUNITY HOSPITAL

Pete Ellena, Alta Loma, has been dismissed following medical care.

Mrs. Lucy Ruiz, 983 North Campus, is convalescing at home after a major operation.

Helen Lopez, 13-year-old daughter of J. P. Lopez, 1451 Bowen street, was admitted last Friday for major surgery.

Delores Rodriquez, two and one half year old daughter of Pasculas Rodriquez, 1328 North Campus avenue, entered last Friday for medical care.

Mrs. Will Atchison, 279 North Second avenue, has been dismissed following medical treatment.

Darlene Nichols, five-year-old daughter of I. F. Nichols, 118 San Bernardino road, Cucamonga, is now at home after medical care.

Mrs. Eliza Chafe, 446 North Archibald, Cucamonga, entered Saturday for medical care.

Mrs. Guy Shore, 910 West Eleventh street, entered Sunday for major surgery.

Candido Mena, Etiwanda, has been released following medical care.

Mrs. Ernest Bailey, 816 Arrow highway, is at home convalescing from major surgery.

Murray J. Elbaum, Ontario, underwent a tonsillectomy Wednesday.

Minnie Roth, 581 East Eleventh street, Upland, was admitted to the hospital Wednesday.

Mrs. Calvin Wililams, 280 La Grahame, Alta Loma, was admitted Monday for major surgery.

Girl Scout Officials Continue Search for Additional Leaders

Since Girl Scouts in this area are observing Girl Scout week until this Saturday, the fact is being brought out that more women are needed to aid in the local program.

Mrs. Eugene Mueller explains that at least six additional leaders are needed besides the women who have already volunteered their services.

The qualifications necessary to become a leader have been listed as follows: an interest in the Girl Scout organization, an ability to enoy the company of young girls and to love fun, four hours per week to devote to troop meetings, and a willingness to take training.

Some of the new leaders in Upland include Mrs. Bert Reed, Mrs. Glenn Thompson, Mrs. Junial Anguiano and Mrs. Josephine Abitie, both of whom will work with Mrs. Paul Coronel, Mrs. Mark Bradburn, Mrs. Clifford Flower and Mrs. W. D. De Lozer.

"Truth About Painless Childbirth." Medical science is still looking for the perfect means of achieving this goal. G. B. Lal, science editor, tells of the latest studies in The American Weekly, the magazine distributed with next Sunday's Los Angeles Examiner. (adv. 53-1)

San Antonio Heights News

BY RILLA STICKNEY
Phone 317-291
Special News Correspondent

Chief Arthur Reeder of the San Antonio Volunteer Fire department reported that one fire plug has been installed at the corner of Mesa Terrace and Twenty-Fifth street. Two more will be installed on San Antonio Crescent east as soon as materials are available.

Mr. A. F. Rathmun, who has recently moved to the Heights from Ontario and occupies the home recently vacated by Mr. and Mrs. H.S. Hoard, made a trip to Chicago to attend a convention concerning his business. Before returning to California he visited his former home in Wisconsin.

Mrs. Mylton Hicks, Vista drive, returned recently from a visit in the east. Accompanying her on her trip were her mother and father, Mr. and Mrs. C. H. Bales, Lake Forest, Illinois. Mr. and Mrs. Bales will move soon to their new home on Mountain drive near the W. F. Rugg residence.

Mr. and Mrs. Angelo Fiorentino have been visiting for the past few weeks at the home of Mrs. Fiorentino's brother, Tony Caso, San Antonio Crescent east. The visitors are from Jersey City and have had an enjoyable trip. One of the purposes of their coming was to place their son in the California School of Technology in Pasadena.

Mr. and Mrs. Dayton and Margaret Dickey, and their son, are now living in the new apartment just completed at the residence of O. D. Davis, San Antonio Crescent east. Mr. Dickey is one of the new teachers at the Upland Junior high school.

Bryon Hogan, Vista drive, who is a commercial trapper, left for a trapping trip in the northern part of California. Mr. Hogan will be away for four months. Arcompanying him is Bill Lydick, son of Mr. and Mrs. G. C. Lydick, Vista drive.

Bridge Party Plans Made by Hostesses

Women members of the Red Hill country club will meet at the Upland Woman's club house on November 19 for a bridge party. Hostesses for the occasion will be Mrs. Ben Visio, Mrs. Clifford Flower, Mrs. Paul Adams and Mrs. William Kincaid.

Those wishing to attend are asked to make their reservations through Bertha Benton at Red Hill.

* * *

druber have just moved from their home in Cucamonga, 32 East Foothill boulevard, to Upland. They will live with A. J. Ledig, 1090 Washington boulevard.

Although Mrs. T. I. La Plant, 506 East Eleventh street, has been ill for some time, she is now "getting along fine" and will be glad to receive visitors.

According to J. B. Leamon, 1320 West Arrow highway. Mrs. Leamon has recovered from her illness and is no longer confined to her bed. Two daughters of the couple, Mrs. Charles Foster and Mrs. Frank Coppo came from their homes in Riverside to spend the day with them on Thursday.

BIRTHS

MEMORIAL COMMUNITY HOSPITAL

Mr. and Mrs. Clyde W. Mitchell, Fontana, became the parents of a boy last Thursday.

Mr. and Mrs. Reynaldo Vera, Ontario, announce the birth of a daughter last Friday.

Mr. and Mrs. Houston Dewey, Ontario, are announcing the birth of a daughter Monday morning.

Mr. and Mrs. Charles Davis, Ontario, are the parents of a girl born Tuesday.

Announce Marriage Of Doris Swan, Herman Cardin

At a shower - announcement party given last week, the marriage of Doris Swan and Herman Cardin was revealed to assembled friends and relatives.

The couple were married October 19 in Las Vegas. The bride is the daughter of Mrs. W. F. Goalby, 525 East Seventh street, and the groom's parents, Mr. and Mrs. J. O. Cardin, reside in Ontario.

Mr. and Mrs. Earl Stephens and Mr. and Mrs. Paul Calhoon attended the couple. Following the ceremony and a wedding dinner, the newlyweds left for a week-long trip to Catalina.

The couple are now making their home with the bride's mother.

Both Mr. and Mrs. Cardin attended Chaffey schools and are now both employed at the Ontario General Electric plant. Mr. Cardin served during the war in the mrchant marine.

To announce the marriage, a dinner was given at the home of Mr. and Mrs. Earl Stephens, 227 West Grove avenue.

Among the guests were the Mesdames Jack Wadkins, Charles Malott, Robert Hardy, Mildred Gardner, Mayme Mears, Mary Green, W. F. Boalby, J. O. Cardin, Wilfred Cardin and Mildred Forster.

Girls Hear Plans of Proposed Scout House

At a regular meeting of Girl Scout troop No. 13, held at the Scout house on Wednesday, Police Chief Eugene Mueller spoke to the girls on the contribution of the police department to the safety and security of the community.

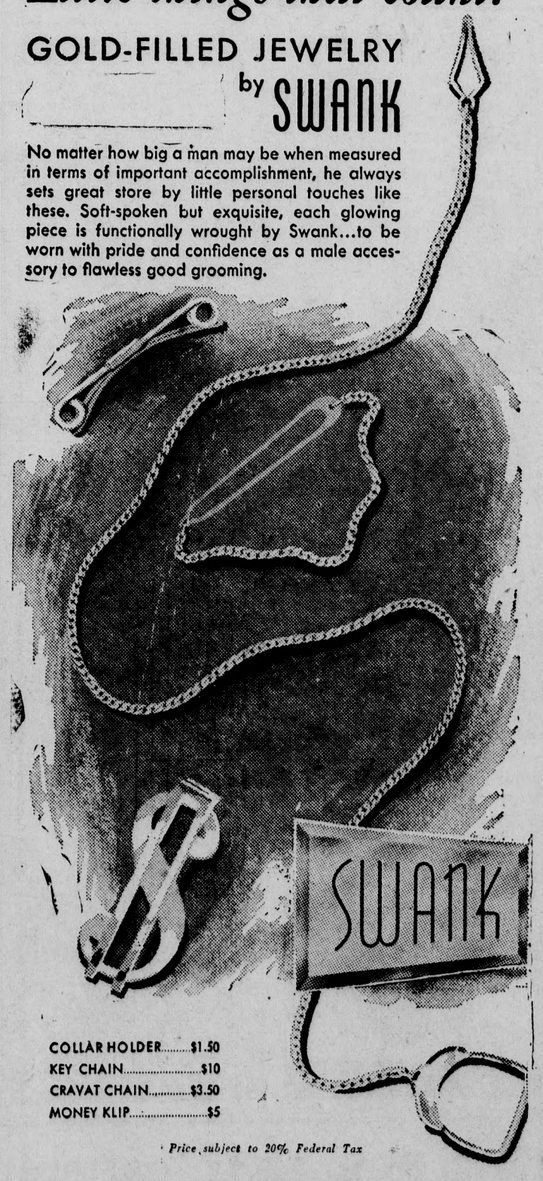

Plans for the proposed Girl Scout house to be included in the Veterans' Memorial buildings and recreation center were displayed and explained by their leader, Mrs. Joe Seitz. The group voted to donate five dollars to the publicity committee for the project.

Christmas cards, to be sold in the community by the girls, were distributed.

Upland identification emblems and troop numbers were presented. Mrs. Seitz was assisted by Mrs. Homer Washburn.

The Men—And the Election Next Tuesday—

Faced with the opportunity—and the task—of choosing men and propositions, voters next Tuesday will participate in one of the most important elections in the nation's history.

With the war won, many gigantic problems are yet to be solved and much has to be done in getting the nation and the state back to "normal".

The type of government in the state will, to a certain measure, be determined next Tuesday. Surely, the kind of representation this congressional district will have will be determined at the election.

It should be easy for voters to select William F. Knowland, United States senatorial candidate, over Will Rogers, Jr. Mr. Knowland, the choice of the governor as an appointee, has proven by words and deeds that he is capable of great trusts and great deeds.

A sane analysis of the congressional situation leads to only one conclusion, that it is "time for a change", and that Lowell E. Lathrop should be elected. The Republicans are very likely to control Congress and under that situation Congressman Harry R. Sheppard would be even less effective than he has been with everything in his favor. Voters are urged to elect Mr. Lathrop, San Bernardino attorney, highly recommended by many people.

As Governor Earl Warren's running mate, Judge Goodwin Knight is a capable executive, progressive yet extremely businesslike and efficient.

Fred Howser, Los Angeles county district governor, is the recommended candidate for attorney general.

Ballot Proposals—

Following are the recommendations of The Upland News in voting on the 17 proposals at next Tuesday's election:

No. 1	Veterans' Bond Act	Yes
No. 2	Greyhound Racing	No
No. 3	More Public School Funds	Yes
No. 4	Veterans' Business Loans	No
No. 5	Court for Tax Appeals	No
No. 6	Annual Sessions of Legislature	Yes
No. 7	County Boards of Education	Yes
No. 8	County Superintendent of Schools	Yes
No. 9	State Superintendent of Public Instruction	Yes
No. 10	Salary of the Governor	Yes
No. 11	Fair Employment Practices Act	No
No. 12	Amendment of Laws Adopted by Initiative	Yes
No. 13	Allocation of School Funds	No
No. 14	Disability of the Governor to Act	Yes
No. 15	Validation of Legislative Amendments to Alien Land Law	Yes
No. 16	Repeal of Educational Poll Tax	Yes
No. 17	Public Utilities Commission	Yes

New Books

Upland Public Library
BY MRS. RUTH N. WEST

The fate of Japan and all other countries of the Far East is of vital interest to every person living in the world today. The transition from war to peace is not a problem peculiar to one nation, it applies to the whole world. In his book "The Lost War' by Masuo Kato, the English speaking world is given the first account of an inside story by a Japanese reporter about what did and what is happening to his country. He completes his report with the story of the atomic bombings, the surrender, the hari-kiri of the military, and the half-dazed, half-relieved reaction of the populace. This is the first account by a Japanese. It makes good reading.

Another excellent job of reporting has been done by John Dos Passos in his "Tour of Duty." He covers both the Pacific when the fighting was still going on, and Germany after the surrender. The author's talent as a novelist makes this piece of reporting second to none.

A book in quieter vein is by Theodora Stanwell-Fletcher, who, with her husband, sought a secluded place where they could study animals and their behavior, through the four seasons of the year. The place they chose was in the heart of British Columbia. There they lived like the Indians, and collected speciments of both flora and fauna for the British Provincial museum at Victora.

"No More a Stranger," by Anne Fsher is the story of the life and times of Robert Louis Stevenson when he lived in California. This chapter in the annals of our state's history makes fascinating reading.

Right Guide

This column is designed to give official VA answers to veterans' readjustment problems. Send questions to:
Right Guide
1031 S. Broadway
Los Angeles 15, Calif.

An average of 12,000 veterans file changes of address each month with the Los Angeles Veterans Administration regional office, according to L. C. Chapman, manager.

This number will reach at least 25,000 per month if all veterans move from place to place in the same ratio as those with names in VA files. Veteran population in the same area, according to a VA survey, is placed at 675,000. Of this number 317,709 have individual case folders with the VA, Chapman said.

Many hundreds more who move to new locations fail to notify the VA office of their change of address. As a result an average of more than $40,000 in pension and subsistence checks are returned each month undelivered.

Chapman advises veterans moving into the Los Angeles regional area to file changes of address with their old office. Approximately 4,000 newcomers send new addresses to the local office which causes unneccessary delays for them, Chapman said.

Question: I am in on-the-job training program learning to be a mechanical draftsman. I want to take some courses at night school which will help me in my work. Will the government pay for these?

Answer: That can be done providing the Veterans Administration determines you are capable of carrying on both your job training and night school satisfactorily at the same time. You will be allowed up to $500 per year for expenses such as tuition and books as long as the courses are allied with your training program. Your subsistence payments will remain the same. A letter to the VA from your employer stating the additional courses will be beneficial in your training is required.

Question: Are disabled veterans in training under Public Law 16 subject to the ceilings for on-the-job training established by a recent law?

Answer: No. The new law applies only to veterans training under the G.I. Bill, Public Law 346. It does not apply to disabled veterans taking Rehabilitation training under Public Law 16.

Sport Slants

BY STEVE KALAGIAN

If spirit alone could do it, the Chaffey Panthers without doubt would soundly trounce the Santa Ana Dons.

There's a determination and a will to win among the Panthermen that is both surprising and heartening. At their workouts this week, Coach Ray Rosso's men have been going about their business of tackling, blocking and running as if Santa Ana was just another team in the conference.

Whether its their smashing victory over El Centro last week or the usual confidence of a team that knows its own capabilities, no one can foretell. It is an encouraging sign, nevertheless, to see the spirit being exhibited by the Panthers for this, their "big game."

Of course, there is that ever-prevalent danger of overconfidence. Any team which rocks back its opponents to the tune of 31-6 is bound to have the tendancy to sit back a little on its laurels and sometimes forget the caliber of the team they are getting ready to play. We hope that the Panthers are aware of that danger and that the winning spirit they have had this week is only a determination to score the biggest upset of the season anywhere in Southern California.

Santa Ana, according to advance information, uses a lot of end runs. It relies on them for many of their gains which eventually result in touchdowns and victories. But in Nixon and Sachs, the Dons will be facing probably the best pair of ends they've had to contend with this year. Maybe, their end runs won't work so well and they will have to throw more passes.

If the Dons do turn to an aerial attack, again the Panthers may prove more formidable than other teams they've faced. In the El Centro game, Chaffey men intercepted two passes in the second quarter which resulted in touchdowns. The same could happen with Santa Ana, although interception won't be quite so easy.

The Panthers have everything to gain tonight and nothing to lose. They will go to Santa Ana with the odds definitely against them and if they lose nobody is going to be too disappointed. Very few people expect the Panthers to "bring home the bacon" but a lot of them, of course, can't help but keep hoping for that upset.

Should Chaffey surprise the sports world and overthrow Santa Ana from its "kingly pedestal" they will definitely become the favorites to cop the Orange Empire conference title. And that's what the Panthermen are very definitely set on doing. They've got the spirit and they've got the fight. Whether that will be enough remains to be seen.

WHO IS AUTHOR OF POEM ABOUNT CHAFFEY TEAMS?

A member of the Chaffey Quarterbacks' club got so inspired this football season that he has written a poem about it.

Who the author is we do not know but according to his signature he carries the number of "83" in the Quarterbacks' club.

EETS A HUDDLE AND HOW
I got-a da Lett the other day,
And in it its asay
"Hi—Team Mate." Now thats-a stuff!
It's a very good way
To tell a feller, after such a a-greet
He must play da game
And huddle da grub each Tuesmorn.
Or he getta da blame
Too much a he missa from da team
Da Coach, hees a will say—
With a beega da voice and da blacka da frown
"On da Bench Must a Stay!"
In think it's afine—Da ball to acarry
Come you afeller!
Just out on a da Suit and shake-a da leg;
Wake up—get a meller!
Da grub is agood, and so is a da coach,
As hees lead-a game!
So, Meester da Pres. (and a da Coach a too)
We pledge-a da Chaffey and-a clean-a da sport,
Each time we play-a
Sure we come-a to eat and be with-a you
On each-a Tues-a-day!!!
SIGNALS —83—

Players are, front row, left to right—Ralph Luna, Alan Morrow, Roland Sanchez, Jack Edwards, Willy Richardson, John Melendrez, Roy Rodriguez. Second row—Coach Clyde Frishholz, Billy Duncan, Louis Ammannito, Bob Thomason, Bill Hamilton, Don Ray, RudyValadez, Gerardo Meza, Jim Starn. Third row—Gene Hill, Jack Roper, Wayne Hunter, John Smith, Bob Graham, Fred Christensen, Bill Casler, Ricardo Portillo, Byron Rough.

—Upland News Photo

Santa Ana Favored But Spirit Of Panthers Still Very High

The Chaffey Panthers, in their most difficult game of the season, will definitely be the underdogs when they clash with the mighty Santa Ana Dons at the Santa Ana bowl tonight at 7:30 o'clock.

In good shape physically, the Panthers have been geared up all week determined to score an upset against the favored Dons. Although realizing the past record of their opponents, Coach Ray Rosso's men are still going to be in there trying tonight, win or lose.

Several men on the squad, two of them first stringers, are suffering from injuries but can be used if necessary. Two others are still ineligible and will be unable to play tonight. Wayne Nelson, left guard, and Jack Woodward, center, both of them on the first team, will be on the bench with injuries. Bob Hardy, fullback, and Chester Nicholson, right end, are still ineligible.

Coach Rosso has been giving the Panthermen haevy workouts all week concentrating on Santa Ana plays. He and Assistant Coach Johnny Meek scouted Santa Ana last week and have been working hard on the Chaffey team in preapration for what looms to be a classic battle tonight.

Bill Cook, Santa Ana coach and famous in Southern California for his foxiness, is reported to have been working for this game with Chaffey. Although the Dons defeated El Centro only 19-6, there is much speculation as to whether Coach Cook purposely didn't want his team to win by any bigger margin.

In Santa Ana, the Panthers will be facing the strongest team they've met so far this season. Coaches Rosso and Meek are no doubt a little bit worried about what the 31-6 win over El Centro may do to the team.

Sport fans planning on seeing the Sant Ana game were urged by Athletic Director Harvey Shirk to be at the Santa Ana bowl early if they don't already have tickets. A near sell-out for the game is reported.

Starting lineup for the Panthers tonight will probably be Nixon and Sachs, ends; Cable and Jones, tackles; Miller and Peel, guards; Luman, center; Bryant and Parac, halfbacks; Carew, fullback and Hauser, quarterback.

POINT TO GAME

REDLANDS—The rapidly-strengthening University of Redlands football squad is pointing for its game with the rising Pomona Sagehens Saturday at 2 p.m. in Pomona. Losers in a thrilling battle with Loyola Friday night, by a 14-9 count, the Cushman-coached Bulldogs have shown great improvement in passing, blocking and tackling, and their backers are looking for a wide-open game in Pomona.

Sophs Handed First Defeat In Two Years

For the first time since the San Bernardino Cardettes turned the trick back in 1944, 7 to 6, Coach Karl Kaiser's Kubs went down to defeat yesterday afternoon 13 to 6, before Riverside on Graber field.

Riverside scored first in the second quarter on a neat pass from Quarterback Harmon to Right End Shumway, who lateraled to Rizzatto. R. H. Little's attempted kick for conversion

(Continued on Page Six)

Snepo Picks

Citrus Belt League

Chaffey over Riverside. (Providing the Tigers click like they did the second half against Redlands.)

San Fernardino over Redlands. (The Terriers fight hard but the Cardinals look too good.)

Pomona over Colton. (In spite of their unimpressive showing against Riverside, the Red Devils still look like the favorites.)

Orange Empire

Santa Ana over Chaffey. (Upset is possible but the Dons always play for keeps.)

St. Mary's Hot After UCLA Bruins' Hide

Following another runaway victory, this time a 33-7 win over hapless Santa Clara, Coach Bert LaBrucherie's undefeated and untied UCLA football team bumps into the flashy but once-beaten St. Mary's Gaels tonight in the Los Angeles coliseum in what stocks up as the Pacific Coast's "Game of the Year."

The northerners have more than one score to settle as last year's 13-7 Bruin victory over the visitors was the second time the Bruins had knocked over an undefeated and high-fiving St. Mary's outfit. Back in 1931 the trick was turned by a score of 12-0 as the Gaels were rolling toward an almost certain national championship. This year the positions are reversed and there's nothing Jim Phelan's boys would like better than a Bruin hide.

OPA raises prices of cotton garments 1 per cent at retail.

Soviet newspapaer in Vienna blackens U. S. policy in Austria.

Upland Makes It 6 Straight, Beats Emerson

Scoring in the first second and third quarters, the Upland Junior high school eleven defeated a strong Emerson Junior high team in Pomona yesterday afternoon 20-14.

This makes it six straight victories for the Uplanders and as yet they have no defeats chalked up against them. Only the Chaffey Frosh and Emerson have been able to score against them.

A pass from Bill Casler to Johnny Melendrez accounted for the first touchdown. Melendrez took the pass on the 10 and ran the rest of the way to put Upland out in front in the first period, 6-0.

Another pass, this time from Casler to Roper set the stage for the second score in the second quarter. After Roper had been stopped on the Emerson six, Fred Christensen smashed his way through the line from the six. Christensen converted by running the ball.

The final touchdown for the winners was on another line buck by Christensen, this time from the five. The Upland fullback again went through the line for the extra point.

Fullback Baker, of Emerson, proved to be the biggest threat for Upland as he scored both Emerson touchdowns on long runs.

Taking the kickoff after Upland had scored its first touchdown, Baker romped through the whole Upland team for 90 yards. It was Baker again who on a reverse went 75 yards for Emerson's second and final score.

Emerson seemed on its way to another score about two minutes before the game ended but a fumble recovered by Upland ended the threat.

Tigers Invade Riverside Tonight; Odds Still Even

"It's going to be a tough game but we're going to try and get rolling in the first half and play to win," Coach Truck Lindsey commented today as he prepared to take his Chaffey Tigers to Riverside for what may prove to be the most crucial game of the season.

With most of the injuries on the team mended, the Tigers will be in fair physical shape for tonight's game with Riverside. Coach Lindsey indicated that a few more days in which to put the injured boys back into condition would have helped the Chaffey team tremendously.

The odds, in spite of Chaffey's 21-0 crushing defeat of Redlands last week, remained about even today. The Poly Tech boys have been one of the surprises of the C.B.L., tying Pomona which had been one of the favorites to cop the league crown. To many people who saw the game, Riverside seemed to be the stronger of the two teams.

Although they will be available if needed, Simon Hoyos and Cookie Orsburn will not be in the starting lineup, Coach Lindsey said. Both of them really need a couple more days to get in shape, the Tiger coach added, and will not see any action unless absolutely necessary.

The only possible edge held by the Tigers tonight may be the fact that their new combination which started functioning the second half against Redlands may get into full swing against Riverside right off the start.

Coach Lindsey, in his post-game comment on the Redlands game, said that it took the boys a half, particularly after Orsburn had been injured, to get used to the revamped lineup and he was hopeful that they would get started right away tonight. But he warned that Riverside looms as one of the strongest teams in the C.B.L. and said the Tigers would have a fight on their hands to win.

Probable starting lineup tonight will include Acosta and Beck, ends; Huble, center; Parnell and Koeder, tackles; Mueller and Mathis, guards; Hayes and Ferraro, halfbacks; Whitham, fullback, and Mallory, quarterback.

More football Teams To Fly to Games

With more and more frequency football teams, baseball players and exponents of the gentle art of self-defense, sometimes known as pugilists, are taking off from Los Angeles via plane for added athletic competition in Honolulti, Oahu.

One of the giant clippers, leaving Lockheed Air Terminal, Burbank, daily, arrives in Honolulu some 11 hours after completing the longest non-stop scheduled flight in the world—2500 miles.

Bob Feller, the famed Cleveland Indians fast-ball expert, leaves Saturday by clipper for a series of exhibition games on the islands. He is scheduled to pitch earlier in the afternoon at Long Beach, rush to Burbank and hurt the following day, 16 hours later, in Honolulu.

On November 5-6 two contingents of Hollywood Bears of the Pacific Coast Pro Football League clipper to the islands to face the Hawaiian Warriors in two loop games. The Los Angeles Bulldogs of the same league recently left for Honolulu by plane, returning after scoring two victories.

There Are No New Cars
"JUST AROUND THE CORNER"

Someday we will be advertising "New Chevrolets for Sale,' but that day is far off—months, and perhaps a year or more.

The reason for our advertising now that we have NO NEW CARS is to let motorists know how important it is that they keep their present car fit. Don't let down now.

We are car-conservation specialists. Drive in any time for service that will prolong the useful life of your car.

- REPAIRS
- PAINTING
- BRAKES
- MAINTENANCE
- LUBRICATION
- RECAPPING

A worn floor mat can both spoil the inner appearance of your car and will let in a lot of cold air, they are inexpensive and we have a good stock of heavy rubber floor mats with felt pads to fit all makes of Chevrolets.

Official Report Confirms Building In City Has Gone Over Million

Official confirmation that Upland had passed the one million mark in building construction this year was confirmed yesterday by Richard W. Derby, city building inspector.

With building permits issued in October totaling $71,920, the total for the year is now $1,016,572.27, according to Mr. Derby. Of the 32 permits issued last month, 13 of them were for new dwellings, bringing the year's total to 351.

It was indicated last Tuesday that the city had gone over one million dollars in its building construction but figures at that time were unofficial. This is the first time in the history of Upland that building has even approached one million dollars.

There still remains several subdivisions and building projects which have not yet materialized but which may become active before the year ends. This record building has been achieved in spite of the apparent scarcity of building materials and indications are that once lumber and other materials are available Upland will move rapidly along towards its inevitable growth.

A permit to construct a home in the Stowell subdivision was issued Wednesday to Melvin Hamilton. He plans to construct a house of 1237 square feet at the approximate cost of $7,300.

Thoral Morgan was granted permission to build a $700 garage at 295 South First avenue.

Return Stolen Car To Upland Owner

A 1937 car belonging to L. V. Shepard, 829 Grove avenue, was picked up by San Bernardino police Tuesday and returned to the owner.

The car was stolen September 18 from a parking lot at the Kaiser steel mill, Fontana.

compound on their windows yesterday to make the soap marks less resistant.

Even Kilroy was in town last night, placing his name in numerous places in the city, including the police station.

BICYCLED RECOVERED

A bicycle belonging to Tony Orona, 347½ North Sixth avenue, was found Monday morning by the Ontario police. Orona reported the bicycle stolen at the Chaffey football game.

Girls Learn Many Lessons In Camps Run By Scouts

"I have seen it happen year after year. A girl comes to camp who never before has known the necessity of getting along in a group. She is miserable at first. But before the 10 days are up, she is happy, she adjusts herself to the necessity of the give and take of camp life. Furthermore she has learned a lesson which will serve her all her life."

This was the comment made by Mrs. Evelyn Loch, Chaffey Girl Scout executive and camp director, in pointing out the great value to be gained by support of the current Community Chest campaign.

Camp Conifer, the summer camp of the local girls' organization, located in the San Bernardino mountains between Lake Arrowhead and Big Bear, was in operation as usual this last summer. Open to all girls in the community, this camp included four 10-day camping periods. A pre-camp training program preceded the regular camp session.

Total girls in camp last summer were 146, including 30 from Upland. The first peace-time vacation since the war, this camp was not as well attended as previous years, with many parents taking children on long vacation trips.

Not limited strictly to Chaffey girls, Camp Conifer serves some near-by areas, such as Claremont, Victorville and San Bernardino, where local councils do not operate a camp.

Camp Conifer is also used during the winter for troop camping and week-end trips. In preparation for winter trips, the executive gives instruction as a part of the leadership training for troop leaders.

Parents pay expenses of children at camp, but the Chest supports the general Girl Scout program.

Chaffey Sophs Get Beat by Riverside

(Continued from Page 5)

was block by Jerry Gouce.

Chaffey scored its only touchdown with the aid of a sweet pass from Johnson to Ted Milch that went to the nine yard line. Fullback Basil Davis ran over for the score. Johnson's attempt to smash for conversion failed.

Riverside's light but fast team salted the game in the fourth quarter. After driving down field to about Chaffey's 22, Harmon threw a beauty of a pass to Shumway, who was in the clear and went over the line untouched. Little's place kick split the uprights for a 13 to 6 score.

Although the Cubs fought back strongly, penalties inflicted by over-zealous officials set 'em back on their heels, physically and mentally.

Riverside, coached by George Mosher for his 10th year, had an excellent passer in Harmon, and a team that refused to give way to the bulkier but slower Chaffey Cubs.

Kaiser's "Kubs" will meet San Berdoo next Thursday on the Gate City field. To date Berdoo has won one and lost one, with Chaffey expected to regain their victory habit.

Corn prices are depressed by the prospects for record crop.

● MONEY TO LOAN

MR. CITRUS GROWER
These facts should interest you:
1. If you have a 5% or 6% loan on your orchard you can save money by refinancing with an EQUITABLE farm loan.
2. An EQUITABLE 4%, 20-year farm loan will increase your security with lower payments when you need them.
3. You can repay the loan as rapidly as you wish from farm income without penalty and save interest when crop returns are good.
4. You will NOT have to pay any commission, nor any application or appraisal fees, nor buy any life insurance or stock.
5. The only cost of the loan is proving ownership of your security—usually less than $100 for a $10,000 loan.
6. Now is the time to consolidate and refinance existing high cost loans with an Equitable Life Assurance Society 4% farm loan.

Local Librarians Attend Meeting

Attending the third annual custodians meeting of the San Bernardino county free library yesterday were two members of the Upland library staff.

Miss Betty Smith and Miss Lucille McDonald attended the afternoon session which included a talk by Mrs. Alton Nance, rural supervisor of Riverside county, of Rialto, on the Inter-American relations problem. Miss Gladys Worsham, Pasadena, presented a talk concerning library displays and their effectiveness.

OPPOSES NO. 2

The California Thoroughbred Breeders association has gone on record as opposed to the Proposition on the ballot No. 2 which woul legalize night dog racing.

Declaring their reason for opposing Proposition No. 2 to be fair and logical, the Board of Directors of the California Thoroughbred Breeders association, whose membership includes 383 large and small scale breeders, went on to state:

"The Veterans of the State of California should not have to rely upon such uncertain methods of receiving funds as Proposition No. 2 promises. We thoroughly agree with the statement made by Governor Warren to the effect that if funds were needed, the state can and will provide them from a source that is certain, the state treasury.

FAVORS NO. 3

"There is a demanding need for teachers in this state and since it is obvious that we cannot attract these badly needed people with miserably low wage standards, I urgently ask that the voters of California support Proposition No. 3," Will Rogers, Jr., candidate for United States Senator, declared today.

"It is unthinkable that we should pay our educators a salary which they now find it impossible to live on, especially if we want to insure our coming generation a decent and well rounded education," Rogers said.

ASKS SUPPORT

Arthur S. Heley, state commandant of the Marine Corps league, this week urged all detachments of the league to join with the Veterans of Foreign Wars and the Disabled American Veterans in active support of Proposition No. 2 on the November ballot.

FOR NO: 11

Proposition 11, which will appear on the November 5 ballot, is a democratic measure whose potential success is proven by the successful operation of similar acts in New York, New Jersey, Indiana and other states, the League of Women Voters of Los Angeles said today.

The League endorsed Proposition 11, designed to create a state fair employment practices act, because it believes the "act will mean substantial progress toward elimination of discrimination," announced Mrs. Harold A. Fendler, elections chairman.

BACKS KNIGHT

Lieutenant Governor Frederick Houser this week called upon the voting public to elect Superior Judge Goodwin J. Knight as his successor in office.

Houser said that Democrats and Republicans alike must support Republican candidates in the November elections "if we want to follow the truly liberal middle-of-the-road American program of constitutional representative government and free enterprise."

Ontario Solves Meter Problem

The problem of Ontario's parking meters has been solved with the arrival of William Hornbeck, representative of the M. H. Rhodes company, manufacturers of the meters.

According to Hornbeck, the adjustment of a small spring was all that was necessary. Since that adjustment has been made, the meters will accept more than one penny at a time as was previously the case.

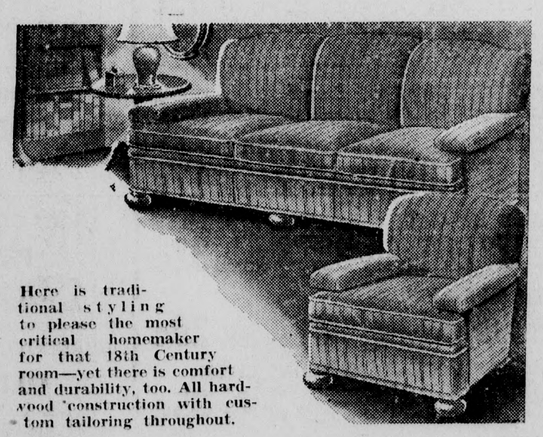

However, Hornbeck will stay in the city about two weeks, to prevent any further difficulties.

Expect Heavy Vote At Election Tuesday; Several Propositions Highly Controversial

Upland Citizens Committee Asks For "No" Vote on Proposition 11

An Upland "Citizens Committee" today called upon Uplanders to vote "No" on Proposition No. 11 at the election next Tuesday.

"Proposition No. 11 on the ballot improperly named Fair Employment Practices Act, is so filled with unfair employment practices that our citizens committee felt impelled to point out its discrepancies to the voters," reads the letter recently sent to many local homes.

The letter follows:

"Under its enactment, an employer is subject, not to the courts or to a jury trial, but to the judgement of five appointed commissioners who may convict the employer of violation of the provisions of this act and subject him to a heavy fine or jail sentence.

"Under its provision, an employer must accept the services of an applicant employe, regardless of his nationality, race, color, religion, or creed. If he refuses to employ this person, and employs another, the first applicant may, within six months, bring the matter to the attention of the commissioners as a matter of discrimination against him, and the employer, if the judgement is against him, will be compelled to pay the first applicant back pay to that date.

"A promotion of one employe above some who have had longer service than he, may be considered also a discrimination and bring the employer to task as a violater."

Van Brunt Heads Farm Association

The appointment of H. B. Van Brunt as general manager of the Southern California Farmers association, has been announced by Henry L. Lucas, president of the association.

Well-known to growers in this area, Mr. Van Brunt was formerly manager of the Ontario Farm Labor office.

The Southern California Farmers association membership consists of growers and farmers in this area producing grapes, citrus fruits, deciduous fruits, nuts, vegetables, etc., representing about 50,000 acres, Lucas said.

The association was organized in 1943 for the purpose of providing housing for farm workers. During the war years, the supply of domestic farm workers being greatly depleted by the draft, the government was compelled to import workers from other countries, chiefly Mexico. To date the association camp at Cucamonga has been used to house and feed these men. At one time, prisoners of war were also housed here.

This policy on the part of the growers in providing housing for farm workers was well justified, according to Lucas, and no doubt helped to save valuable food crops which would have been lost had the housing not been available.

2,500 Visit Art Exhibit

With bus loads of students from other schools coming to view the current Purchase Prize exhibit of the Chaffey Community Art association as well as people from this area, attendance records showed over 2,500 visitors.

Association members have been requested by the president, Sanford Ballou, to promptly turn in their votes, since the prize of $750 will be awarded shortly before the close of the exhibit on Sunday, 5 p.m. Ballots may be obtained at the gallery.

Talks have been scheduled various times during the week and will be concluded by a talk from Miss Janet Benton at 3 p.m. Sunday. The award will be made following her talk.

Lebanon To Speak At Scripps Convocation

Miss Nejla Izzeddin, native of Lebanon and a member of the Arab office in Washington, D. C., will speak on Arab affairs at the Scripps college convocation, 11 a.m., Tuesday in Balch auditorium on the Scripps campus.

After attending schools in Beirut and Paris, Miss Izzeddin earned her B.A. at Vassar and an M.A. and PhD. in Arab history at the University of Chicago. She has since done research work and taught in Beirut, Iraq, and Damascus where she was principal of the Girl's Lycee. The Izzeddin family, residents of Lebanon for the last 400-500 years, includes public office holders and many members of high professional reputation.

The public is invited to attend the convocation.

Write-In Campaign For Knowland Urged

Local supporters of Senator William F. Knowland today pointed out that Senator Knowland's name should be written in as the candidate for the "short term" for U. S. senator. He is a candidate to succeed himself for the regular term.

There is a "short term" of about three weeks, however, due to unusual circumstance and Senator Knowland's name should be written in for that office. There is no "regular" candidate for that position.

Third Year Here For Hensleys

Ths week marks the third anniversary of the Arrow market, under the management of Dan and Virginia Hensley.

The Hensleys came to Upland from the metropolitan area and have built up a large number of friends since taking possession of the market.

An independent grocer, he has built up and maintained connections throughout the war with large distributors of meat, groceries and produce.

In connection with the anniversary the Arrow market is offering a wide selection of items at special low prices during the anniversary sale. The advertisement of the sale appears on page 8 in the first section of the paper.

Field Offices Set Up In San Bernardino

The Farm Security administration office for Riverside and San Bernardino counties today became a field office of the newly-created Farmers Home administration and David Evans, Farm Security administration, was named interim F.H.A. supervisor. Miss Orpha A. Miller, former F.S.A. supervisor, will continue as Associate F.H.A. supervisor.

The re - christening signalized the merger today of the Farm Security administration and the Emergency Crop and Feed Loan division of the Farm Credit administration into the new Farmers Home administration which will carry on from where the other agencies left off.

BREAKS ARM

Glenn Coleman, 19, Ontario, broke his arm when he fell from the fender of a car while hunting Wednesday. He was treated at the San Antonio Community hospital.

Dog Racing, Fair Employment Biggest Questions for All Voters

A record vote not only in the state but the county as well was expected at the election next Tuesday as candidates began to ring down the curtain on their campaigns to wait for the verdict of the people.

In San Bernardino county more than 75,000 votes were expected to be cast because of the wide interest in all the offices. Harry L. Allison, county clerk, in predicting a record vote for the county said that the sheriff, senatorial and congressional races have been drawing special attention.

The county clerk also pointed to the unprecedented gain in registration in the county, the many requests for election information and the vigorous campaings being conducted by candidates.

Walter V. Combs, deputy county clerk, added more weight to Mr. Allison's prediction by stating that applications for absent voter's ballots are coming in at a rapid pace. Nearly 1,100 applications have been received to date and 405 ballots have been voted.

Election supplies have been shipped to the county's 360 precincts, Combs said. Approximately 2,200 voters will serve as election board workers on November 5.

Propositions

In addition to selecting men for various offices, voters must express their feeling on a number of propositions. Several of them have attracted wide attention and groups pro and con have been formed to persuade voters. Propositions 2, 3 and 11 have apparently been the most controversial, with charges and counter-charges being hurled by both proponents and opponents.

No. 2, legalizing greyhound racing in the state, has been vigorously supported by the Veterans of Foreign Wars and the Disabled Veterans but opposed by the American Legion. Opponents see this proposition as one benefiting gambling interests even though four per cents of the proceeds are to go for veterans' benefits. Those favoring the measure say it will relieve the taxpayer of providing for veterans' needs.

Known as the Fair Employment act, Proposition 11 has probably drawn the most fire from both sides. Those who are heartily for it point to the fact that other states such as New York, Wisconsin and Indiana have adopted it and that it is the only way that fair treatment of employes regardless of race or ancestory can be achieved. Opponents point to what they call "restrictive measures" and say that it takes from the employers his right to hire or fire whomever he wishes. It is also brought out by those urging a negative vote on Proposition 11 that the idea of racial discrimination can only be overcome by education and not by the passage of a law.

Educators and other groups in asking for a $2400 salary minimum for California teachers and $120 state aid for each pupil have declared that some degree of financial security must be provided for teachers. They ask for a "Yes" vote on Proposition 3 which provides the above. The campaign of the opponents for No. 3 has been very slight.

Registration for Many in County May Be Lost if They Don't Vote

Cancellation of their registrations awaits 45,108 residents of San Bernardino county unless they vote at next month's general election, County Clerk Harry L. Allison's records revealed today. Although these local citizens were registered prior to May 1, they failed to vote in the June primary election.

A total of 91,872 San Bernardino county residents were qualified by registration to vote at the primary. Only 46,764 voted. Out of 4,113,608 Californians registered before the primary, 2,087,854—or 50.75 per cent of the state's qualified voters—chose the nominees, the California state chamber of commerce reported.

California's election laws cancel a voter's registration if he or she fails to vote either at the primary or statewide general election. Registration of 9634 San Bernardino county voters was cancelled for failure to vote in 1944.

Registered voters who will be away from home November 5 can now cast absentee ballots, the county clerk's office points out. Any registered voter who will be away election day can apply by letter or in person to the county clerk's office in San Bernardino for absentee ballot on or before October 31. The application, if written, should include the voter's home address, and, if possible, his precinct number. The letter should also stipulate where the absentee ballot is to be mailed.

Fighter Goes Fishing

STARTING out on a USO-sponsored fishing trip to Lake Taneycomo, is Pfc. Gaylord David, of Holdrege, Nebr., one of seven soldiers paralyzed from the waist down who take these fishing trips frequently. All are patients at O'Reilly General Hospital, Springfield, Mo. Pfc. David is being lifted in the boat by Sgt. Woodrow Turner, Pioneer, La., an ambulatory patient at the hospital. Through funds to be raised this fall USO will carry on its work for hospitalized vets and GI's through 1947.

Democrats Will Win, Is Claim

Smashing victory for the Democratic party in California November 5, and an overwhelming vote of confidence by the people in its program, was predicted today by James Roosevelt, chairman of the Democratic State Central committee.

Roosevelt based his forecast on two political factors: (1) overwhelming superiority of the Democratic party in California registration figures and (2) the temper of the people.

"California is a progressive Democratic state," Roosevelt said. "Its voters believe in independent action, forward-looking legislation and high standards of political integrity. The overwhelming majority of the voters are Democrats.

"With the issues clear-cut—a choice between progress and reaction, the choice between Democratic peace and prosperity, or Republican hate and hunger — California's people, I know, will swarm to the polls in record numbers next Tuesday."

Little Beaver To Be In Upland Saturday

A treat will be in store this Saturday for Upland kids because Little Beaver is going to be in town.

The nine-year-old veteran actor, who made his debut in the movies in the famous "Our Gang" comedy series, is now featured in the Red Ryder series as "Little Beaver."

Local kiddies will have a chance to see one of their favorites because Bobby Blake which is Little Beaver's legal name, is going to make a personal apparance at the Upland theater this Saturday afternoon.

For the kids who might be interested, Bobby is 53 inches tall, weighs 73 pounds and has brown eyes and light brown hair. His favorite sport is swimming and his best pastime camping out. He raises homing pigeons as a hobby.

Paul William Behren, 21, Ontario, and Doris Lennie Smith, 19, Ontario.

Governor Warren Commends Knowland

Gov. Earl Warren congratulates U. S. Senator William F. Knowland on a job well done representing California in Washington.

STATEMENT BY GOV. WARREN

"I appointed Senator William F. Knowland to succeed the late Senator Hiram Johnson because I believed in his integrity and capability. My belief in Senator Knowland has been strengthened by his fearless and intelligent record in the Senate."

EARL WARREN
Governor of California

September 13, 1946.

- **Keep An Able Senator Working For You In Washington**

ELECT—

U. S. Senator Wm. F. Knowland | X

(Incumbent)

Citizens of California

Proposition #11 is an UN-fair Employment Practices Act.

UNfair because it denies the right to a trial by jury.

UNfair because a political commission of five members has power to threaten and punish you. They are investigators, witnesses, prosecutors, judges, jury and executioners.

UNfair because it compels you, your wife, your daughter or your sister to work with people regardless of their color, race or nationality.

Every fair-minded American is tolerant. Every American resents a criminal law which punishes you for refusing to hire or work with a person forced on you by a political commission.

VOTE NO Proposition #11

Committee for Tolerance • Vote NO Proposition #11

A NEIGHBOR IS CALLING—

One Neighbor who has volunteered to represent many needier neighbors will be calling on you during the coming week to enlist your participation in this year's Community Chest and USO Drive. Answer her call cheerfully . . . Send her away with a generous contribution.

"March of Time", Religious Film at First Methodist Church

Any interested person may attend the showing of two motion pictures, one a "March of Time," and the other a religious film, at Sunday evening services at the First Methodist church.

The service begins at 7:30 o'clock. "India," a "March of Time" picture which depicts the complex story of India—the predicament of 400 million people, the groups within groups that make up India's conglomerate population, and the devolpments brought about by Britain—will be offered.

A religious film, "Barabbas" tells a dramatic story of the man whose place Jesus took on the Cross.

Dedicate Cross

At the choral celebration of the Eucharist at 11 a.m. at St. Mark's Episcopal church, the rector, Rev. John A. Luther, will dedicate the hanging Rood.

The Rood, a Cross marking the dividing line between the nave and chancel, is the gift of Dr. and Mrs. Harold Davis of Claremonth in memory of Mrs. Davis' mother, Mrs. Letitia Fell Hosmer. The Rood was made by Miss Elizabeth Davenport, Ontario, a local sculptress.

The dedication sermon is entitled "The Inescapable Cross in a Modern World." The choir is under the direction of the choirmaster Herbert Gray, will assist in the singing of the service.

Announce Topics

Morning worship period, 11 o'clock, at the Brethren in Christ church will take the theme "The Jewel Merchant." During the Young People's Christian League meeting, the discussion topic will be "Victories." At the evening service, 7:30 o'clock, the pastor, Rev. C. R. Heisey, will deliver a sermon on "The Answer of Jesus to Job."

Rev. Fufus W. Oakey, pastor of the First Presbyterian church, has announced "The Old Apple Tree" as the topic for his morning sermon at 11 o'clock.

"A Good Sportsman" will be explained by Rev. Earl Salzman at the 10:30 service Sunday morning at the First Mennonite church. The choir will be heard with the presentation "Jesus I My Cross Have Taken."

James S. Cook, pastor for the Bethany Union church, San Antonio Heights, has announced "Personal Soul Winning" as the topic for his Sunday morning service at 11 o'clock.

The Golden Text of the Sunday Lesson-Sermon at the Christian Scientist church, Ontario, is "Everlasting Punishment."

Continue Series

"Isaias: Pioneer in Religious Statesmanship" is the theme of the seventh sermon of a series being given on Sunday mornings at the 11 o'clock hour at the Bethel Congregational church. The title of the series is "The Bible Through Biography."

Second sermon in a series of Christian Beliefs will be delivered by Rev. William A. Hulet Sunday at 10:50 a.m. at the First Free Methodist church, Ontario. Evening services, preceded by organ meditations by Sheldon Taylor at 7:15 o'clock will follow the topic, "The Day in Which We Live."

Church Holds Parish Dinner

New members of the parish will be formally welcomed to St. Mark's Episcopal church when the annual fall parish dinner is held in the Parish hall next Tuesday at 6:30 p.m.

Henry B. Hickey, general chairman, extends an invitation to all Parish members and their friends to attend the dinner.

Henry Lee McFee, Scripps college, will provide the entertainment for the evening.

Church Concludes Evangelist Series

Sunday will mark the close of meetings conducted at the First Nazarene church this week by Rev. Harold K. Sheets.

Rev. Sheets will speak four times Sunday, first to the Sunday school at 9:45 a.m. He will preach at the 10:50 service on the theme, "The King's Highway." In the evening he is scheduled to address the high school Young People's group at 6:30. The closing message of the series of meetings will be given at 7:30 p.m., the topic, "The Answer by Fire."

Gospel songs and lively choruses, given by the Young People's society, will be directed by Russell Crosby. An invitation is extended to all.

Deadline Set for Church Announcemen

Due to the fact The Upland News will be published three times a week beginning on November 11, all church notices and news releases should be received in the News office Wednesday afternoons and cannot be given definite assurance of publication if received later than 9 o'clock Thursday morning.

Unless other instructions are given, the time schedule for church services will be published the same as the preceding week. The cooperation of all pastors and other church people will be appreciated by the News staff.

Quartet Appears at Foursquare Church

The Earl Weatherford quartet will be featured at evening services, 7:30 o'clock Sunday, at the Foursquare church. This male quartet has taken part in various Tri-county Singing conventions, two of which have been held recently at the local church.

During morning service at 11 a.m., Rev. Lewis Johnson, co-pastor, will direct holy communion. Young people's group meets at 6:30.

How to Vote for Better Schools

(Clip This Ballot and Take It to the Polls With You)

PROPOSITION 3—"The Better Schools Measure." Provides a fair minimum living wage—$2400 annually—for California school teachers. VOTE **YES!**

PROPOSITION 7—Provides for election rather than appointment of County Board of Education members in charter counties. VOTE **YES!**

PROPOSITION 8—Establishes qualifications for county superintendents of schools. VOTE **YES!**

PROPOSITION 9—Provides for appointment of one new deputy superintendent of public instruction and three associate superintendents by State Board of Education. VOTE **YES!**

PROPOSITION 13—It will be an unlucky day for California's system of public education if Proposition 13 passes. Proposition 13 would starve California's schools, intensify the teacher shortage, and throw the increasing burden of school expenses on taxpayers in local school districts. VOTE **NO!**

PROPOSITION 3 is the key measure on which the future of our schools depends. Above all, vote "YES" on 3!

CALIFORNIA COUNCIL OF EDUCATION
DE YOUNG BUILDING, SAN FRANCISO, CALIFORNIA

PROPOSITION #2 IS OPPOSED BY:
American Legion, Department of California; American Veterans of World War II (AMVETS); California Farm Bureau Federation; California Federation of Women's Clubs; California State Chamber of Commerce; Church Federation of Los Angeles; Commonwealth Club of San Francisco; Downtown Association of San Francisco; Downtown Businessmen's Association of Los Angeles; Hollywood Chamber of Commerce, Women's Division; Humane Education League of Los Angeles; Los Angeles Chamber of Commerce; Los Angeles Chamber of Commerce, Women's Division; Los Angeles Society for the Prevention of Cruelty to Animals (SPCA); Market Street Association of San Francisco; San Francisco Chamber of Commerce; Tailwaggers Foundation of America; American Humane Associations; Welfare Council of Metropolitan L. A.

VOTE "NO ON #2" COMMITTEE

Candidates Give Their Views of Issues

SUPPORT NO. 15

Raymond D. Williamson, chairman of the grand parlor legislative committee of the Native Sons of the Golden West announces that Proposition No. 15 on the November ballot has been widely endorsed by many groups, including the Los Angeles chamber of commerce, the San Francisco chamber of commerce, the various county farm bureaus throughout the state, and the California Joint Immigration committee.

This latter group were the ones primarily responsible for the passing of the 1920 Alien Land Law. The group was composed of the American Legion, The State Federation of Labor, The State Grange, and the Native Sons of the Golden West, and has recently been reinforced by the addition of the California State Farm bureau.

LEAD FIGHT

Hundreds of thousands of voters throughout Southern California during the last week were mailed statements setting forth the case against Proposition No. 11, the Fair Employment Practices act, on which they will vote Nov. 5, it was announced by the Committee for Tolerance, leading the fight against the measure.

Carrying the message against Proposition No. 11 directly to the voters, Frank P. Doherty, committee chairman, addressed civic groups in San Diego, Bakesfield and Riverside.

Under the caption "Don't be misled — Smash this CIO-PAC scheme"— a folder distributed to voters linked Proposition No. 11 with the PAC's nationwide official program to impose more controls on the people.

MAKES CHARGES

Charging that Edmund G. Brown's campaign tactics revealed "an inconsistency bordering on hyprocrisy," Maurice E. Atkinson, Brown's former southern California campaign manager, last night hurled sensational charges at the San Francisco candidate for attorney general.

The charges were made in a radio broadcast at 6:15 p.m. Atkinson, a prominent Democrat, fromer member of the assembly and World War II veterans, concluded his broadcast by giving his endorsement to District Attorney Fred Howser, nominee for the state's chief law enforcement post.

CHARGE SMEAR

The Veterans of Foreign Wars and the Disabled American Veterans have made a telegraphic appeal to U. S. Attorney General Tom C. Clark to take immediate action against an interlocking horse race and motion picture trust, accused by the veterans of conducting a half-million dollar "smear" campaign against the VFW, DAV and Proposition 2—the greyhound racing measure on the November ballot.

The veteran organizations charged that motion picture interests are exercising monopolistic controls against them to keep the arguments in favor of Proposition 2 from reaching the public. They said that a trailer which the VFW and DAV had prepared in support of Proposition 2 has been barred from California theaters controlled by the movie trust

WANTS DEBATE

Because he says he has been unable to persuade Senator William Knowland to meet him to debate political issues in the current campaign, Will Rogers, Jr., Democratic candidate for United States senator, in a radio speech Tuesday night, challenged the Senator's father, Joseph Knowland, owner of the Oakland Tribune, to come to bat for his son.

"I've decided I'm barking up the wrong tree in my efforts to induce Senator Knowland to come out in the open and debate with me," declared Rogers. "It's crystal-clear to me that I should go to the top of the reactionary Republican heap and do my debating business with the real top man."

MORE SUPPORT

Proposition No. 1, the $100,000,000 veterans home and farm bond issue on November 5 ballot, has been endorsed by two additional statewide organizations, the California State Teachers association and the California Farm Bureau federation.

Ed W. Bolt, chairman of the Veterans home and farm committee, commented that the ballot measure, providing funds to continue the state's 25 year old program of providing low cost financing of veterans' homes at no cost to the taxpayers, has received favorable action by nearly every public and private group releasing lists of election recommendations.

WINS SUPPORT

Proposition 5 on the November ballot, which will create a California Court of Tax Appeals patterned after the U. S. Tax Court, has won the backing of some farm and business groups throughout the state.

Typical support for the measure has come from the State chamber of commerce and the California Farm Bureau federation. Both organizations urge a "Yes" vote.

"Acute" shortage of soap due to fats and oils.

Governor Supports Proposition No. 3

SACRAMENTO, Nov. 1—Governor Earl Warren issued a public appeal this week for a "Yes" vote on Proposition 3 in the November election.

The Governor described Proposition 3—which would set a minimum salary of $200 a month for public school teachers—as "a forward looking measure which interests every home in California."

He said: "I believe the things Proposition 3 provides are essential for the welfare of the school system which is in jeopardy at the present time. The salaries of teachers throughout the country have been so far out of line with other salaries during the war years and since that a large proportion of the teachers have left the profession and gone into other lines of endeavor.

Warns Against Voters Becoming Confused on Propositions 3 and 13

Roy Simpson, state superintendent of public instruction, expressed grave concern that Proposition 13 on the November general election ballot might be enacted into law by enthusiastic voters confusing it with Proposition 3.

He urged a "No" vote on Proposition 13, and a "Yes" vote on 3.

"The two measures are diametrically opposed to each other," Simpson said. "Proposition 13, if it becomes law, will reduce state appropriations to local school districts. This will throw an added strain on local taxpayers, while at the same time intensifying the present crisis in our schools.

"Proposition 3, on the other hand, will increase state support of the schools, thus helping to relieve the present crisis and to overcome a serious teacher shortage in the state."

See Proposition No. 1 As Big Help to Vets

SACRAMENTO — The average veterans purchasing property under the California Farm and Home Purchase act can save approximately $5.50 a month, or more than $1300 over a 20-year contract period, as compared with other available financing, State Director of Veterans Affairs Lawrence C. Stevens said today.

Continuance of the purchase program, in operation for 25 years, depends upon approval of Proposition No. 1 at the November 5 general election. Stevens pointed out. The ballot measure provides for $100,000,000 in bonds, which will be retired through repayment of veterans' contracts and will cost the taxpayers nothing.

Dorrity Will Head Automotive Group

A. J. Dorrity, Upland was elected president of the West End Automotive Trades association at the Casa Elanca hotel

Lloyd Eckles was re-elected vice-president and Bill Wright was elected secretary. Bob Henderson served as president during the past year. Dorrity is owner of the D. & D. Rubber company, Ontario.

Plans for the coming year were discussed at the meeting.

Sets Record in Registration

With total registration of 4,383,963 eligible voters, a new record has been established today by California, according to Frank M. Jordan, secretary of state.

The all-time high is composed of 2,541,720 democrats, 1,637,246 republicans; 6,771 prohibitionists, 192,109 who declined to state their party affiliation, and 6,117 miscellaneous registrations.

The new registration was 242,632 greater than the all-time high set for the general election of 1944 and 270,355 above that of the June 1946 primary election. Of the total eligible to vote next month, 57.98 per cent are democratic registrations and 37.35 per cent republican.

Los Angeles county had the highest registration, 1,861,145, or 42.45 per cent of the state's total. Of this 1,079,836, or 58.02 per cent, is democratic, and 672,913, or 36.16 per cent republican.

Also setting a record for itself was San Bernardino county with 100,348 registrations. Democrats lead in this county with 55,374, with republicans registering totaling 39,233. Other classifications included 491, prohibition; 131 miscellaneous and 5,119, decline to state.

Your Duty

We have arrived at the final days of a political campaign. As Americans it is more than our duty, our privilege, to go to the polls to participate in the affairs of our government and to select the men that we as citizens believe can give the greatest amount of public service.

Our government and the men that run it, must be of our utmost concern. While selecting our candidates it will be best to choose them after looking at their record while in office.

Whatever you do on election day VOTE and do it the right way.

SHERIFF E. L. SHAY

The SHERIFF'S DUTY

The Sheriff of San Bernardino County should enforce the law as a shield of protection for all citizens.

SHERIFF E. L. SHAY has distinguished himself and his associates in the Sheriff's Office as an enforcement officer – as a man without vacillations when the welfare of the people is placed in jeopardy by the actions of criminals.

He is seeking re-election as your Sheriff basing his campaign on his record of law enforcement in this successful and growing County.

Whatever you do on Tuesday, November 5, we, the citizens that make up the E. L. Shay Committee for re-election, urge you most respectfully to judge the Sheriff by his actions and his record.

An Educator, Churchman, Family Man, Civic Leader

TO HAVE JUSTICE UNDER THE LAW
MUST HAVE GOOD JUDGES

Grandma will tell you that Pearl Oil was a kerosene leader in her day—just as it is now. It doesn't give off smoke, soot or gases that might smell up rooms. It gives more heat with bright steady flame that won't creep up to scorch pies, cakes. And Pearl Oil is *pure*—it all burns—no waste! Use it in all your kerosene appliances.

EVERY RESIDENT IS ELIGIBLE

Every family in Upland, Alta Loma., Cucamonga and Etiwanda is included in the Upland Merchants' Dividend Day. A directory has been especially compiled by The Upland News. This directory includes every house address in these communities—Upland, the outlying district, and the three communities east of Upland.

A page number and line number are selected in a drawing to determine where the "Dividend Day Man" will call with the award. Thus, an address is selected from the directory. If the family receiving the call qualifies by having sales slips, the award is presented. The call is made at 6 p.m. every Monday. The sales slips must be dated Saturday.

The dividend sales do not have to be for cash, a "charged" sales slip being acceptable. In all fairness, however, a sales slip for payment on account cannot be eligible for use on dividend day.

(COPYRIGHTED JOE DOWNEY)

All of jack-pot may be won if person has two or more sales slips from two or more stores with total purchases over $1.00.

$1 if person selected has no sales slip.

$5 if person selected has one sales slip.

$10 if person selected has two or more sales slips showing total purchases under $1.00.

To be eligible to receive all of the jack-pot, your total purchases from two or more stores may be for

Cossacks To Open S. B. Artist Series

San Bernardino valley concert association announced the annual artist series will open November 12 with the original Don Cossack chorus and dancers.

Vronsky and Babin, duo-pianists, have been booked for December and the Pasquier trio, an instrumental ensemble, for February.

John Charles Thomas, celebrated baritone of the operatic stage, radio and screen, will conclude the series April 8.

Season tickets for all four will be available until October 31 and may be obtained from Mrs. Everton E. Stidham, 427 Magnolia avenue, San Bernardino.

Eighteen hundred USES offices return to the states, Nov. 16.
